Group of Experts on Statistics on Population and Migration
November 26-28, 2025
Geneva, Switzerland

The CIS Statistics Development Project

The project is currently implemented in 2023 at the expense of the Russian Federation budget.

Goals

Support for national statistical services of the CIS

Improving the comparability of analysis

Tasks

Development of statistical methodology and analysis

Digitalization of statistics and the use of alternative data sources

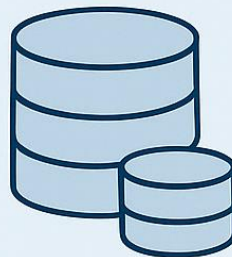

Strengthening the CIS statistical community

Data visualization

**Data on the website
of the CIS Statistical
Committee**

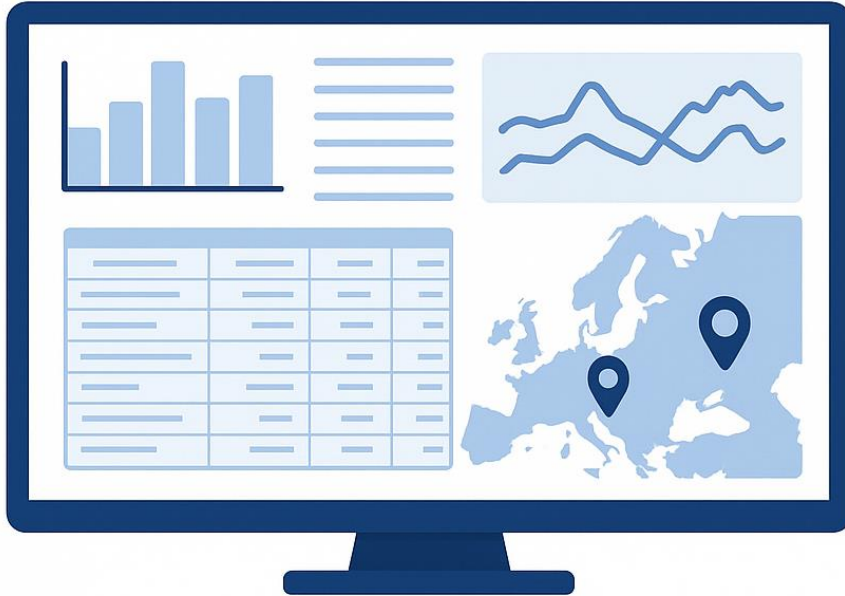

Unified database

**Analytical materials
and collections**

Key visualization tools in a BI system

**Diagrams
(graphs)**

**Time series
(OLAP-tables)**

Interactive maps

Population Census. Data Visualization(1/4)

Distribution of population by main source of livelihood

Panel Main source of livelihood

OLAP table - population indicating main source of livelihood
