Preface4

1. Population

1.1. Population

Number of resident population27
Population of the countries of the Commonwealth in total
population of the CIS (graph)27
Number of population by sex and age group.....28
Population by age group (graph).....38
Median age of population (graph)39
Distribution of population by nationality.....40

1.2. Natural movement of population

Number of births42
Crude birth rate42
Total fertility rate (graph)43
Reproduction rates and mean age of mother at birth of a child44
Number of deaths45
Crude death rate45
Death rate of males and females aged 20-4946
Infant mortality rate.....47
Natural increase of population48
Natural increase rate.....48
Natural movement of the population (graph).....49
Life expectancy at birth50
Life expectancy at birth (graph).....52

1.3. Marriages and divorces

Marriages and divorces.....54

1.4. Migration of population

Migration of population55
Intensity of internal migration56
Interstate migration balance.....56
Migrants by age and sex58

Interstate migration flows	60
----------------------------------	----

2. Health

2.1. Health care

Health care facilities	65
Number of medical personnel	67
Number of medical doctors and hospital beds (graph)	71
Average duration of hospital stay (graph)	72
Number of infant homes	73

2.2. Morbidity of population

Morbidity of population by main groups of diseases	74
Morbidity by tuberculosis.....	78
Morbidity by tuberculosis in the countries of the world	79
Number of newly registered HIV infected persons.....	80
Morbidity by diabetes.....	81
Cases of drug and substance abuse.....	82

2.3. Disability

Newly registered children with disabilities under 18 years of age	83
Newly registered children with disabilities under 18 years of age by causes of disability	84
Number of newly registered persons with disability by groups of disability.....	85
Number of newly registered persons with disability at age 18 years and older by causes of disability	86
Number of newly registered persons with disability by cause of general diseases.....	88
Number of institutions for children with disabilities.....	89
Number of boarding homes for elderly persons and persons with disabilities.....	89

2.4. Mortality of population

Deaths by main groups of causes of death	90
Mortality of males and females by main groups of causes of death	94
Infant mortality by main groups of causes of death.....	96

3. Education and culture

3.1. Education

Level of education of the population aged 15 years and older (graph).....	101
---	-----

3.2. Pre-school education

Pre-school institutions	102
Number of children in pre-school institutions	103
Provision of children with pre-school institutions	103
3.3. Secondary general education	
Day-time general education institutions	104
Number of non-state (private) day-time general education institutions and pupils enrolment	105
Number of pupils at the first grades at day-time general education institutions	107
Graduates from day-time general education institutions	107
Number of shifts in day-time general education institutions	108
Number of pupils of day-time general education institutions by languages of teaching	110
Number of institutions for children with disabilities and pupils enrolment	112
Number of personal computers in the classes of day-time general education institutions	113
Number of teachers in day-time general education institutions	114
3.4. Primary and secondary professional education	
Primary professional educational institutions	116
Entrants to primary professional educational institutions	117
Graduates from primary professional educational institutions	117
Secondary professional educational institutions	118
Entrants to secondary professional educational institutions	119
Graduates from secondary professional educational institutions	119
State secondary professional educational institutions	120
Private secondary professional educational institutions	122
Share of students of secondary professional educational institutions on a payment basis	124
3.5. Higher professional education	
Higher educational institutions	126
Entrants to higher educational institutions	127
Graduates from higher educational institutions	127
State higher educational institutions	128
Private higher educational institutions	130

Share of students of higher educational institutions on a payment basis	132
Number of students in higher and secondary professional educational institutions per 10 000 population.....	134
Number of students (graph)	135
Share of women in the total number of students in higher and secondary professional educational institutions	136
3.6. Culture	
Number of museums and their attendances	137
Number of professional theatres and their attendances	137
Attendance of culture and art institutions.....	138
Number of public libraries and their attendances	139
Library stock	140
Number of movie shows attendances.....	141
Printed edition	142

4. Labour

4.1. Economically active population

Number of economically active population.....	150
---	-----

4.2. Employment

Number of employed population	151
Number of employed population in the countries of the world.....	152
Employed by age	153
Employment rate (graph).....	154
Distribution of employed population by status in employment.....	155
Distribution of employed population by kinds of economic activity (NACE, Rev.1.1)	156
Employed by level of education.....	158
Foreign labour force	159

4.3. Unemployment

Number of unemployed.....	161
Unemployment rate in the countries of the world	162
Unemployment rate (graph).....	163
Unemployed by sex	164
Unemployed by sex (graph)	165
Number of unemployed among young people aged 15-24 years.....	166

Unemployment rate among young people aged 15-24 years (graph)	167
Unemployed by level of education	168
Unemployed by duration of unemployment	169
Unemployed by job search methods	170

Structure of total number of unemployed by main methods of job search in CIS countries (graph)	170
Number of unemployed registered at state employment offices	171
Unemployed receiving unemployment benefits	172
Average duration of unemployment (graph)	172
Number of vacant working places claimed by enterprises to employment offices	173
Job placement of unemployed persons by employment offices	173

4.4. Working conditions

Number of actual duration of working hours at large-scale and medium enterprises	174
Number of persons injured at job place	175
Deaths due to accidents at job places	176
Temporary disablement of employees by cause of occupational injuries	177

5. Living standards

5.1. Income of population

Main sources of money income of households	185
Money income per capita	187
Indices of real disposable money income of population	188

5.2. Wages

Average monthly nominal wage in economy	189
Indices of average monthly nominal and real wages	191
Indices of average monthly nominal and real wages (graph)	192
Average monthly nominal wages by kinds of economic activities	193
Average monthly nominal wage of men and women (graph)	194
Minimum of labour remuneration	195
Minimum of labour remuneration (graph)	196

5.3. Pensions

Age of retirement (graph)	197
---------------------------------	-----

Number of pensioners.....	198
Number of pensioners by main types of labour pensions.....	199
Pensioners per 1 000 employed in economy.....	200
Average pension.....	201
Minimum old-age pension.....	203

5.4. Public expenditures on social sphere

Consolidated budget expenditures on social sphere.....	205
Share of expenditure of consolidated budget for social sphere (graph).....	207
Public expenditure on health care as % of GDP (graph).....	208
Public expenditure on education as % of GDP (graph).....	209

5.5. Socio-economic differentiation of the population

Distribution of common fund of income (disposable resources) of households by 20% groups of population.....	210
Income ratio between 20% groups of population with the highest income and the lowest income (graph).....	212
Selected indicators of incomes (expenditures) inequality of population.....	213
Gini coefficient (graph).....	215
Subsistence minimum.....	216
Subsistence minimum and consumer price index.....	217
Subsistence minimum by social and demographic groups of population.....	218

5.6. Consumer market

Retail trade turnover through all channels of sales per capita.....	219
Structure of retail trade turnover (graph).....	221
Services rendered through all channels of sales per capita.....	222
Purchasing power of disposable money income of households.....	224
Structure of consumer expenditures of households.....	226
Consumption of key food products per capita.....	228
Composition of food substances and calorificity of consumed foodstuffs.....	230
Provision of population with durable goods.....	232
Consumer price index for foodstuffs and non-food goods and services.....	234
Consumer price index for goods and services (graph).....	236
Consumer price index for food and non-alcoholic beverages (graph).....	237
Average consumer prices (tariffs) for certain types of housing and	

public utilities services.....	238
--------------------------------	-----

6. Housing conditions

Average provision of population with total dwelling space.....	242
Dwelling stock.....	243
Dwelling stock by types of ownership.....	244
Commissioning of total area of dwelling houses.....	245
Number and average size of constructed apartments (houses).....	246
Distribution of apartments by number of rooms.....	247
Facilities of urban dwelling stock.....	248
Number of urban families improved their housing conditions.....	250

7. Transport and communication

Number of passenger trips by mode of transport.....	252
Provision of population by cars.....	254
Number of Internet users.....	254
Number of Internet users in the countries of the world.....	255
Provision of population by fixed line phones.....	256
Number of subscribers to mobile network.....	256
Number of subscribers to mobile network in the countries of the world.....	257

8. Environment

Brief geographical characteristics of the Commonwealth.....	260
Water abstraction from natural sources for use.....	264
Use of water for household and drinking purposes.....	265
Emissions of pollutants into atmospheric air from stationary sources.....	266
Emissions of sulphure dioxide (SO ₂) (graph).....	267
Emissions of nitrogen oxides (NO _x) (graph).....	268
Emissions of carbon oxide (CO) (graph).....	269
Emissions of carbon dioxide (CO ₂) (graph).....	270
Emissions of pollutants into atmospheric air from motor vehicles.....	271
Investments in fixed capital for environment protection and rational use of natural resources.....	271
Specially protected areas.....	272
Population using improved drinking-water sources.....	273

9. Criminality

Содержание
Contents

Number of registered crimes	275
Number of registered crimes per 100 000 population	277
Offenders by selected characteristics	278
