Prices in the CIS and other countries of the world 2021–2025. Concise statistical abstract / Interstate Statistical Committee of the Commonwealth of Independent States /. - M.: 2026.

Interstate Statistical Committee of the CIS was formed in 1992 pursuant to the decision of the Heads of Governments of the CIS member states of December 30, 1991.

Based on the UN General Assembly Resolution A/RES/48/237 of 30.03.1994, which granted the Commonwealth of Independent States an observer status under it, the CIS-Stat participates in the work of the UN Statistical Commission, UNECE Conference of European Statisticians and its Bureau, ESCAP Committee on Statistics, is a member of the Committee for Coordination of Statistical Activities, which consists of more than forty international statistical organizations.

Having the status of international statistical organization and relevant authorization from the Council of Heads of Statistical Services of the CIS Countries, the CIS-Stat has ample opportunities to support the interests of the national statistical services of the region in various international projects.

The publication includes data on dynamic of consumer and producer prices in the CIS and some countries of the world in 2021-2025.

Data for Moldova exclude the information on the territory of the left bank of Dniester river and Bender city.

Since 2022 the CIS-Stat has no official data for Ukraine.

Some data for 2025 are preliminary and may be updated in the future.
