Seminar on dissemination of census data

July 10 – 13, 2023

Astana, Republic of Kazakhstan

The Interparliamentary Assembly of the CIS Member States adopted the main model laws on:

- Education (1999)
- Higher and postgraduate professional education (2002)
- Adult education(2002)
- Secondary general education (2004)
- Preschool education (2004)
- Extracurricular education (2004)
- Teacher's status (2004)
- Model Educational Code for the CIS Member States (2013)
- Use of ICT in the education system (2014)
- Inclusive education (2016)

Model Educational Code for the CIS Member States

“The unified (common) educational space of the CIS is a space characterized by a commonality of state policy principles in the field of education, consistency of state educational standards, programs, levels of education, standard terms of study at each level, provisions and requirements for the training and certification of scientific and pedagogical staff, equal opportunities and free exercise of the rights of citizens to receive education on the territory of states”

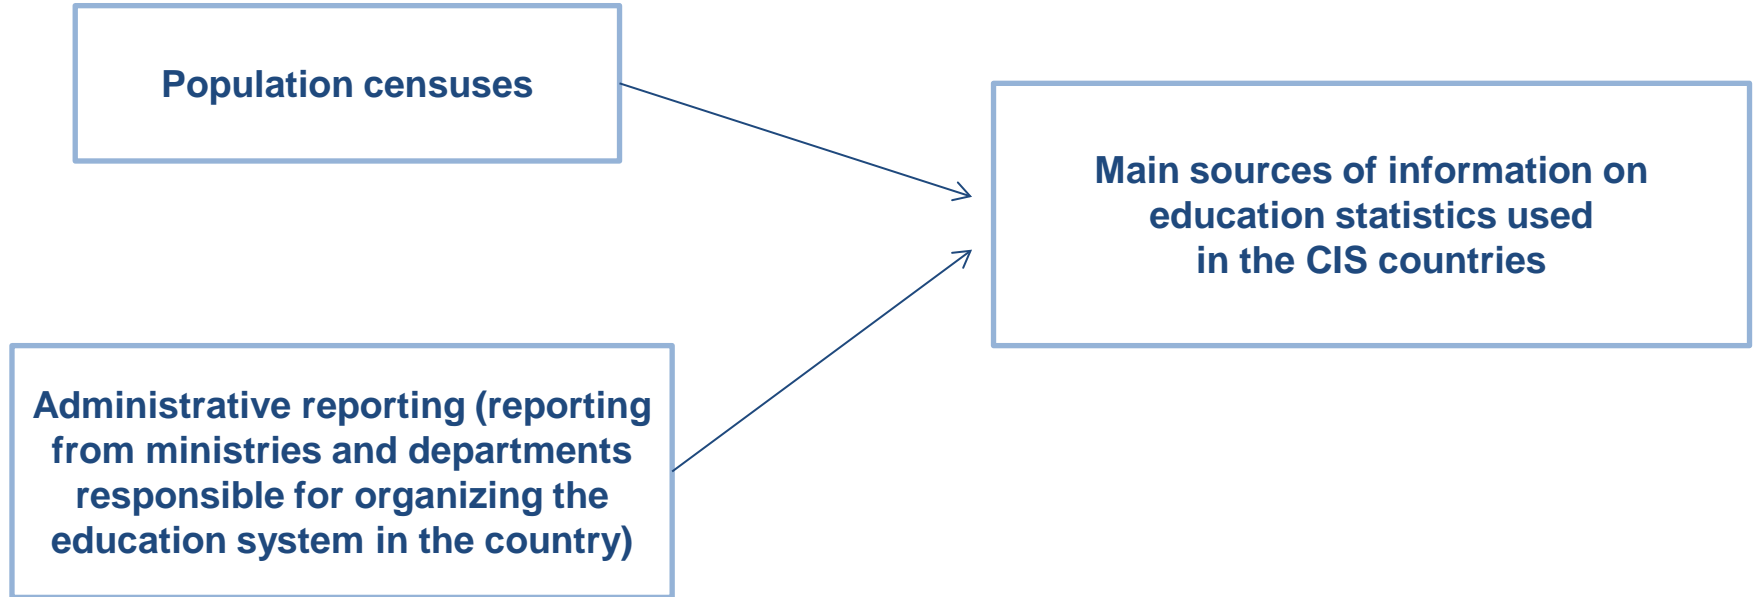

*Model Educational Code for the CIS member states
adopted by the resolution of the
Interparliamentary Assembly of the CIS member states
dated November 29, 2013
N 39-6*

(Article 1)
